

Dear Guest, what we suggest you bring with you:

- **sun protection:**
  - **your personal hats**, although local hats are provided, you find them in your Banda (please leave them in the Banda at your departure);
  - **sunglasses**
  - **sunscreen**, have it always with you;
  - **t-shirt or a lycra suit**: we advise you to wear it while snorkeling;
- **sandals or flipflops**: have them when walking on the Island paths during the hottest time of the day. Be aware of the possible presence of sharp shells or thorns hidden in the sand;
- **Personal insect repellent**: although we provide an insect spray and repellent in the Banda.
- **Warmer clothing**: long sleeves blouses and shirts can be necessary some evenings.
- **Battery chargers/spare batteries and adaptors for your cameras and electronic equipment**: power is provided at the bar and it can accommodate most international electric plugs. Fanjove Private Island promotes the use of rechargeable AA and AAA batteries providing their chargers.
- All necessary **camera gear** and please remember to bring extra memory cards, as well as **binoculars**.
- Personal **wildlife books**, though "Birds of East Africa" Book, East Africa marine wildlife book and whales and dolphins guide book are available at the dining.
- Any personal **medications**, particularly against known allergic reactions (e.g. nuts, bee stings, etc.) as we have only the normal contents of a First Aid Kit in the Lodge.
- Any specific **dietary supplements**: we do of course accommodate vegetarian/vegan dietary requirements as much as possible.
- Fanjove staff and management will be always at your disposal; don't hesitate to question them for any need you have. If there was a part of your stay that you were not satisfied with, please let us know so that we can improve our Lodge and services;

**Note** – Fanjove Private Island **do not have credit card facilities**. Could we kindly ask you when arranging your travel money that tourism establishments in Tanzania generally accept only Tanzanian Shillings and USD for extra payments such as drinks, laundry service, tips and gift shop purchases.

Please also note that **USD notes dated pre 2003 are not accepted in Tanzania**.
